Code and paragraph alignment

Exported from the active branch rendered by ChatGPT. Older content unavailable to the page cannot be verified.

USER

Show a Python greeting and demonstrate paragraph alignment.

CHATGPT

Left aligned introduction

python

```python
def greet(name):
    return f"Hello, {name}!"

print(greet("Ada"))
```

Centered caption

Right aligned note

The paragraph below the code uses justified alignment. Its words spread across the available line width while the last line ends naturally inside the reply.
